

OLC Floor Plan/Capacities

With 24/7 availability and over 14,000 square feet of flexible space, the OLC enables hands-on and classroom learning in one state-of-the-art facility.

Flexible Multi-Purpose Hall

Host networking sessions, expo showcases, breakout sessions and more in our 6,000 square foot multi-purpose hall. The flexible space can easily be adapted into a wide variety of configurations.

HD Broadcast Video Studio

A fully wired studio allows presentations to be recorded or livestreamed anywhere within the OLC or worldwide.

Educational Auditoriums

Host up to 180 attendees in our three large meeting rooms – which can be used as a single classroom space or divided into three smaller meeting rooms.

Conference Rooms

For smaller meetings or used in conjunction with other events, the two state-of-the-art conference rooms provide seating for up to 24.

Registration and Pre-Function Areas

Ample space is available to streamline attendee check-in and provide a comfortable gathering space for coffee breaks, refreshment breaks, and social or cocktail hours before and after general sessions or keynotes.

Catering Prep Area

An on-site catering prep kitchen is fully equipped and available to support food and beverage service.

Restrooms

Two restroom locations, one with comfortable men's and women's locker rooms complete with shower facilities.
