

Since 1994, the OLC has managed hundreds of events across multiple clinical specialties. Our versatile facility offers easily divisible classroom and laboratory space for effective medical education including:

- Bio-skills training
- Cadaveric study with open and arthroscopic procedures
- Simulated-model workshops
- Research and development
- Medical-device training
- Continuing Medical Education meetings
- New surgical product and technique presentations

Medical Meetings

Medical/Surgical Meetings & Trainings

The OLC provides a world-class clinical setting for physicians, surgeons and medical professionals. Healthcare professionals from around the world use the OLC to make a positive impact on patient outcomes by developing new skills and advancing surgical techniques.

Advanced Hands-On Bio-Skills Lab

The 6,000+ square feet OLC bio-skills training lab offers an expansive, well-lit learning environment for up to 112 participants to continue their hands-on educational experience.

With comprehensive clinical and surgical skills lab equipment, state-of-the-art AV integration and livestream capabilities, the OLC is able to host both wet and dry labs.

We offer a full complement of customizable facilities, including:

- Twenty-eight fully equipped workstations divisible into two labs of 12 and 16 workstations
- A large-format high-definition display with 80" LED displays and 30' wide screens
- A separate demonstration area equipped with three HD broadcast cameras, with one on a camera crane to enable overhead shots
- A staging/clean room for instrumentation and equipment
- A decontamination room which ensures that all cleaning procedures follow safety guidelines
- An anatomical specimen storage area
- Locker rooms with shower facilities

OLC Floor Plan/Capacities

With 24/7 availability and over 14,000 square feet of flexible space, the OLC enables hands-on and classroom learning in one state-of-the-art facility.

Hands-On Bio-Skills Lab

Up to 112 participants can participate in labs and live demonstrations in our 6,000 square foot training lab. The space features 28 fully equipped workstations which can be divided into two separate labs with 12 or 16 workstations.

HD Bio-Skills Demo Station/Broadcast Video Studio

A fully wired studio allows presentations to be recorded or livestreamed anywhere within the OLC or worldwide.

Educational Auditoriums

Host up to 180 attendees in our three large meeting rooms – which can be used as a single classroom space or divided into three smaller meeting rooms.

Small Meeting Rooms

For smaller meetings or used in conjunction with other events, the two state-of-the-art conference rooms provide seating for up to 24.

Registration and Pre-Function Areas

Ample space is available to streamline attendee check-in and provide a comfortable gathering space for coffee breaks, refreshment breaks, and social or cocktail hours before and after general sessions or keynotes.

Lab Prep Areas

Dedicated space to prep and store all equipment, materials and specimens for hands-on bio-skills lab classes.

Locker Rooms

Comfortable men's and women's locker rooms are complete with dressing areas and shower facilities.

Auditoriums B + C shown combined as Auditorium seating, other layouts available

Location Key

- | | | | |
|---|---------------------------------------|-----------------------|---|
| 1 Bio-Skills Lab B — 16 Workstations / 32 Stations | 7 Registration Area A | 13 Catering Prep Area | 19 OLC Administration Office |
| 2 Bio-Skills Lab A — 12 Workstations / 24 Stations | 8 Registration Area B | 14 Conference Room 1A | 20 AV Control Room + Production/Editing Suite |
| 3 HD Bio-Skills Demo Station/Broadcast Video Studio | 9 Auditorium A + AV Room — 72 Seated | 15 Conference Room 1B | 21 Staging / Clean Room |
| 4 Gowning Area | 10 Auditorium B + AV Room — 72 Seated | 16 Coat Rooms (2) | 22 Decontamination Room |
| 5 Locker Room — Men's | 11 Auditorium C + AV Room — 36 Seated | 17 Lobby | 23 Specimen Room |
| 6 Locker Room — Women's | 12 Pre-Function Event Space | 18 Main Entrance | 24 Loading Dock + Storage |

State-of-the-Art Classroom Learning

The OLC also offers over 5,000 square feet of multi-purpose meeting/lecture room space. This adaptable space can accommodate groups of up to 180 people and is divisible into 3 spaces for classroom work and presentations.

Each of our high-tech classrooms is equipped with the latest high-definition audio visual equipment and up-to-date HD production technology.

For smaller meetings, the OLC offers two innovative conference/board rooms that combine to hold up to 24 people.

The OLC also has an on-site AV control room and production/editing suite to handle all high-definition video processing for the meeting room spaces.

HD Bio-Skills Demo Station/Broadcast Video Studio

The OLC offers a fully equipped HD bio-skills demo station/broadcast video studio capable of recording and live video streaming. The studio can be used in conjunction with other meeting spaces as a demo area, or can be rented as a stand-alone studio for production projects.
