

Auditorium Meeting Room Amenities/Equipment

To meet clients' diverse meeting and conference needs, the three auditoriums at the OLC can be set-up as one large room, or divided into three meeting rooms.

As part of our turn-key service, the OLC includes the following equipment with auditorium rentals:

- Venue-wide WiFi (500GB Router)
- Five (5) 193" projection screens for high-definition display, retractable screens
- Five (5) New 2020 Sony 3LCD laser projectors, capable of simultaneous or independent projection
- HD cameras for image event recordings (2 per auditorium, 6 total)
- Multi-media lecterns with interactive touch screen displays for annotation and documentation cameras
- Separate in-room AV controls for operated assisted meeting support and camera controls for recordings
- Non-glare and oversize participant tables, each equipped with charging outlets
- Microphones placed at all participant tables for voice lift, event recordings and interactive presentations
- Wireless lavalier microphones and standard handheld microphones available
- In-room adjustable thermostats and customized lighting configurations for your comfort
- Customizable digital signage for company branding or room designation
- Registration desks complete with protective barriers and coat room
- Flexible seating designs
- Comfortable ergonomic armchairs for participants
- Catering prep kitchen and Quench bottleless water cooler system
- Easels, dry erase boards and flip chart stands
- Slate/Confidence monitors
- Exhibitor tables
- Last minute printing available

Additional equipment available for rental (fees apply):

- HD Broadcast Studio
- Customizable production and video livestreaming capabilities
- Picture in picture live streaming with interactive audience and presenter participation
- Audience Response System (ARS) capable
